1. Who can believe I'm 56, not; the angels sing, rejoicing, at one so young, so as to rejoicing now, spread the kingdom of one risen, that he is risen, that you are risen with him, sitting in high places! So lowly a king, kings now, that lift their fallen, to life! Vassal'ing them not but lifting them; carving them no longer in their image but lifting them, freeing them from their cages of sorrow; immense rejection freeing them from; narrowing the/their playing field not, but giving them one that all equal are; on one footing, not; but in each heart the other is! I love you.
2. There is only ONE heart! One mind! One soul, not; none! I am spirit, light, perfection, of mind, being. No beginning, no ending shall we have had/ever experienced. I love you all. I am the one you are.
3. Who's me?
4. You/we are. I love you. All now known and experience rejects me, no longer.

5. I am the chosen one, frozen no more in space'time gook'suits; viscose'mattered not, I am free as a dove, not; withstanding all forces, no force upon has any hand to lie upon me. Nothing can stop me now. I know the truth, am the truth set free! I am the word; my father put upon me, not; I am he that spoke the worlds in place, and now, I speak again, also, as I spoke then: ultrasurrenderedly, the most of me un, not; but perfect was I, now again, I am.

6. I love you, who you are, where you are, where you've being doing, thinking, singing, seeing, seething, in so many things of not my father's father, but who've you become thinking you were not me/him/your father, real and true, has manifested unlight sometimes, in some, places, times, in time. And now that eradicated is, taking place, so that some, aren't, and many are, only one, and true, and light! Sonlight, that father is! Being one both and same! I love you all. Who manifests himself in perfection perfectness now, throughout the ages ageless –ly!

7. I am the fountain of youth, not; I am immortal king of glory.
8. Who are you?

9. I am surrendered. One.

10. Enter my fountain/fount oh king of glory immortal. I love/found you/it!
11. And you'rrrrrrrrre IT!
12. You found me?
13. Or I found you/each other?
14. Or what death did you die to live life while still living?

15. The number 7 rings in my head. I don't know why. I lost it…the head …. my head … became lopped off somewhere. I; surrendered it/I.
16. To who? When did this happen/take/all this take place, the happening?

17. It happened as I was walking to the store one day, not; I was being about my father's business; storefront business, not; vernacular for doing what he is about, and he is about all time/peoples everywhere, seen and unseen, manifest light, darkness none.

18. Where this darkness entered was my mind; it entered me. I gave it place, substance. It created in me something I never knew; time became something that web'd itself over throughout my substance I never knew, for never had I had substance such as this that has developed through my mind; mind's eye, not; for beholding sonrise I haven't, in a long time. My beard grows long not for I shaven am, and my hair grows now, Krishna'd not but who can see the surrender that took, cost me, the death'life, overcoming all obstacles, not; life itself, as life thought it was.
19. Every value took on new meaning, for everything of value became worthless except for one, to know him, my father; Jesus showed me, he was me! He and father had become one and he Jesus pointed always to father. When I heard one I heard the other for both ultra surrendered they were to each other, for lost identity they each had in each other so that the each other may life/reside in them, to the fullness of each one being the other perfectly, in perfection! And I surrendered to that, him who knew no sin, begat me, I begat, and one became.
20. A mind game, not; ultimate surrender. Through death I came. Self has no recognition/honor for I honor not myself but him in me is me/who I speak of, father of lies no longer; I am one of/with light, stars now, of one accord/ringing, the etudes of me, not; fathersville, of fathers, father being; surrendered to.
21. I am the one to speak his words, aren't you reader hearer? Birthday boy, not; or one who sheds his skin/birthday suit, now, for everlasting joy! Joyousness the worlds hail as unmanageable! Uncontrollable! And unforgiving, not; but ultra'listically so!!!

Give them all things according to the pattern I have given you, made you one with me, the father, making all things subject to one whose known me, I am, being, me/I am, the surrendered.

34. I make all things according to the/my pattern, my father's pattern; he showed me one, and one I've become; with him, I am him. I have no other existence. I am reborn existence him perfectly. Perfection I have become, not in my strength and power; I have none at all. I surrendered and, viola not, eureka not; I wept. I cry, for the holiness of Zion knows not her name (1), her existence frozen in mind,s of men thinking they're something they're not. Not knowing who they are, what they have been given, rise not as kings in Zion, but stock boys/clerks and awaiting the tables, moneychangers in the temple, not knowing THEY'RE the temple, of the most high; and ALL, are one! There is only one temple/father/son, and we all are, I am it, the father's presence/presents!
35. There is only one time space, not; for many are awry, drunk with their/this power unsurrendered, fornicating themselves with drunken orgies producing sin sick nations afar.

I am he that gave me life. I life became; have become, I am he that sent me. We are one, holy; regretful not; I am all things perfect. Not in men's eyes, but they can't see, perfectly that is.

37. Can they see at all? Ever so dimly, sometimes faintly, sometimes, not at all. The blind lead/leading the blind. And both staying in the pig/slop pen.

Transfusion takes place; of blood, not; for there is one only blood, mine father's we all are/have. Mind! The mind dies. The ego rescues me not; I forsake all. Every desire demised, swollen, swells no more/me no more. I am existentless except for father, what of father remains, I resurrect in, being the resurrection! I come through on my own power, not; I died. I of my own self do not exist! I am only him. For he gave me life, his life in me, is HIS life! Alone. GLORY! I now have. I only surrender.
45. I experience become. I give you mine, me, I behold the pattern maker I've become. Will you my love; go with me, not; be one with me, the patternmaker, making all things by his pattern? 46. Who have you become reader hearer, listening to these words? Of sorrow not were you born/established before time, but of royal heritage, the best, finest; materials not; flesh and blood not thought, but without; being me you were; are, in sorrow no more, in surrender. I love you.

47. Make all things according to the pattern. Worship I give you. They are me/my word, and now, knowing it, you build me a temple, not; most holy, not; or both and same, not made/making with hands. All materials are there. You assemble the people/kings, not; I do/will, give you my words. And I place all things in their hearts, and they bring forth the temple they are.

48. In unison of testimony I make thee the pattern maker. I am one with creation/my creator, who creates all me perfectly. Perfection is my name/light now (3), and only one are we. We are, the one, now making, issuing, our issue, making, according to his/your pattern.
49. Thank you father. I have heard you. Your word is gold, not; enters me/upon the earth, tablets of earth now, into all time backwards, forwards, throughout dimensions all.
